The Toronto Police Service (Service) uniform is readily recognized and respected within the community we serve.

This Procedure sets out the approved uniform, equipment and appearance standards for members. These standards have been developed to ensure compliance with specific legislation and for maximizing safety.

As such, it is imperative that members who wear a uniform of the Service do so with pride and adhere to the standards set out by the Service.

All members shall have all the articles of Service issued clothing and equipment required for uniform duties at the ready, regardless of the current function to which they are assigned.

The listings of uniform and equipment contained in the appendices of this Procedure will be amended as required by Strategy and Risk Management – Governance.

Members shall not purchase, acquire, wear or use any item of clothing or equipment that has not been approved by the joint management/association Clothing and Equipment Committee and authorized by the Chief of Police.

Summer Dress

The summer dress options will be in effect during the period of April 01 to October 31. For the purposes of this Procedure any date outside of the summer dress period shall be referred to as winter.

During this period, members in uniform, wearing the uniform of the day (administrative or operational), have the option of not wearing a tie. This option is not available to Uniformed Senior Officers and Uniformed Command Officers.

Although long-sleeved or short-sleeved shirts may be worn, the best method of preventing acute exposure to UV radiation is by limiting exposure. Use of a short-sleeved shirt and sunscreen would achieve this objective while mitigating the risk of heat stress.

Only the collar button of the uniform shirt shall be left open when the tie is not worn. Furthermore, if the member chooses to wear a T-shirt underneath the uniform shirt, no part of the T-shirt may be visible.

When climatic conditions demand that other authorized article of uniform is worn as the exposed article of clothing, the no tie option is still available with the 'Uniform of the Day' order of dress.
