

Courses Delivered by Toronto Police College (TPC), eLearning through Canadian Police Knowledge Network (CPKN), Unit Specific Training, and Conferences, Seminars and Continuing Education Courses from January 1 – December 31, 2023

The Toronto Police Service (Service) provides its uniform and civilian members with learning opportunities both internally and externally. The following lists include all of the mandatory and optional training completed by members of the Toronto Police Service in 2023.

Table 1 includes all courses developed and delivered by the Toronto Police College.

Table 2 includes eLearning through Canadian Police Knowledge Network. Some of the training in this platform is created by the Service.

Table 3 includes unit specific training.

Table 4 includes conferences, seminars and continuing education courses.

| Category type | Definition |
|----------------------------|-----------------------------------------------------------------------------------------------------------|
| Section/Unit | Section or unit that delivers training. |
| Course | Identification code that is unique from other courses and is re-used from session to session. |
| Title | Provides readers with a brief description of the material covered in each course. |
| No. of participants | Number of service members who completed courses and trainings. |
| Duration | Amount of time taken to complete the training. |
| Units | Measurement (H -hours, D -days, or W -weeks) of time taken to complete this course. |

Table 1: Toronto Police College

| Section | Course | Title | Duration | Units | Sessions | No. of Participants |
|-----------------------------|--------|---------------------------------------------------------------------------------------------|----------|-------|------------|---------------------|
